Hello Friends

We, at the Organizing Committee for the 2016 Reunion, feel blessed that we have such wonderful alumni friends across the globe who maintain an open and free dialogue with us. With the reunion dates coming up fast, we would like to thank all those who responded promptly and registered for the reunion. We look forward to responded with an yes to the Evite and plan to register this week. All the names have now been entered and please do keep checking on the Evites for the latest updates on the events being planned.

As a reminder the "Early Bird" deadline has been extended to Monday, Aug 1st (midnight) and we've added a few extra categories for registration to accommodate your busy schedules and help you all attend at least some of the fun-filled events. And, yes, we plan to have an educational component to the event and that every attendee will be receiving a Certificate of Attendance for their records...so that the memories of events past will be as fresh as ever and the practice of Medicine as robust as it should be. A gathering of this scale is not just for reminiscing about the good old days we had at our Alma Mater, it is also about the kind of legacy we leave behind for the future generations of doctors who will be trained at our world-class Medical School and Charitable Hospital.

This will be an "once-in-a-lifetime" gathering of the "cream of the cream" TNMC Alumni which you will not want to miss out on. So, here are all of the categories and you can choose any that fits your needs best.

1. Full Registration: Includes events on Friday, Aug 19 and all events on Sat Aug 20: \$325. If you would like to join in for the Sunday Brunch, you pay \$75. **Full registrations can be done online and payment can be accepted via credit card. In the flagship "Sky Room", the venue for our brunch, each table offers magnificent views of the Hudson River from the top level overlooking the Statue of Liberty.
